BOOZE OR MEDICINE?

Which will you have? If a woman suffering from one of the delicate ailments peculiar to your sex it will be well for you to know that Dr. Pierce's Favorite Prescription is the only remedy advertised for such maladies which is absolutely free from intoxicating liquors and all other harmful agents. The good you feel from its use is not the delusive exhilaration from a tipping beverage, from which the system reacts into a worse condition than before. It may be a little slower in manifesting its bracing and invigorating action, but its benefits are none the less positive and, best of all, they are lasting. It's an honest medicine—not a beverage.

"I have been taking your medicine for the last three weeks and can say I am gaining strength," writes Mrs. Seneth Knapp, of 605 East Madison Street, Mount Pleasant, Iowa. "I have been having very poor health all winter. I doctored with my family doctor but was relieved only while taking the medicine. I took Dr. Pierce's medicine several years ago. I knew it was good for any one suffering with female trouble. Have taken only one bottle and am gaining strength very fast. I could not eat nor sleep when I began taking the 'Favorite Prescription.' Heart troubles me and I had cold and runny nose till my heart would almost stop beating. Have had one child since first taking your medicine. I continue with your treatment and positive I will be cured."

Every suffering woman in this land should write to Dr. Pierce and learn how certainly he can help her to health and strength. It costs nothing to write and receive entirely free the advice of one of the most experienced physicians in this country. His great thousand-page book, the Common Sense Medical Advisor, in stiff paper covers, will be sent free for 21 one-cent stamps the bare cost of mailing; or send 31 stamps for cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

These ORIGINAL Little Liver Pills, first put up by old Dr. R. V. Pierce over 40 years ago, have been much imitated but never equalled. They are made of purely vegetable and mineral ingredients, and are not a cathartic, but a true medicine, extracted from native American roots and plants. They specially relieve and cure constipation, indigestion, biliousness, Livers and Bowels and their attendant distressful ailments. One or two a laxative, three or four a cathartic.

Don't allow the dealer to insult your intelligence by offering his own remedy to you instead of this well-known preparation of Dr. Pierce.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Manuell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '99, and began to use it for entire baldness. The hair fell out in his scalp but not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

Law Declared Constitutional.

Berea College, in Madison county, Ky., was yesterday fined \$1,000 in the State Circuit Court for violation of the Day act. This is the law passed by the General Assembly of Kentucky at its last session prohibiting the coeducation of the white and colored races. While the law is general in form it was aimed directly at Berea College, which has for 50 years conducted a school and college for the education of all youth of good moral character. When the law was passed the college authorities at once declared their intention to abide by its provisions pending a decision as to its constitutionality. In order to raise the question a technical violation of the act was committed, and on such violation by consent the college, as a corporation, was indicted. The college demurred to the indictment and the question of constitutionality was thus raised. Briefs were filed by both sides, and yesterday Judge Benton overruled the demurrer and held the law constitutional. The conviction and fine followed, as the college made no defense as to the facts. The case will go at once to the Court of Appeals of Kentucky, and should that court uphold the decision rendered and declare the law constitutional the case will be taken to the Supreme Court of the United States.

Suicide of an Actress.

After eating breakfast, brought to her bedside by her nine-year-old daughter, Mrs. Mary Williams yesterday morning in Philadelphia kissed the child goodby and sent her to school. As the little girl left the house the mother drew a revolver from beneath her pillow. Pressing this against her left side she pulled the trigger, and before members of the household could make their way to her bedroom she was a corpse. Mrs. Williams was an actress. Ten years ago Mary Wentz, a school girl of 16, conceived a passion for the stage that lured her from her parents' home. She "went on the road" with a traveling show, only to return after a few months. When she greeted her father and mother after this absence she informed them that she was a wife. Not long afterwards a daughter was born to her. The child was cared for by its grandparents while Mrs. Williams continued her theatrical career, visiting the old folks at intervals. On Monday morning Mrs. Williams reached home after a five weeks' absence. She greeted her mother and daughter affectionately, but complained of an injury to her foot which lately had prevented her from acting and caused her much suffering.

Swindling Ex-Slaves.

One of the most despicable frauds brought to the attention of the federal officers in a long time was the scheme worked upon many innocent colored people in the counties around Richmond by two pretended pension agents, now under arrest. They are Levi Sullivan and Charles Arian, who claim Rockingham county as their home. They were arrested in Buckingham, their last place of operation, Monday, and were arraigned before United States Commissioner Brady, in Richmond yesterday, for impersonating United States pension agents. They have been driving through the country since last November, telling old negroes who are ex-slaves that a law had been passed allowing them a pension of \$10 a month, and that all they had to do was to fill up the blanks which were furnished and pay a fee of \$2. Their victims are counted by the hundreds, and when arrested the men were armed, had a good deal of money and a large number of blanks. The men were now in Henrico jail. Sullivan tried to commit suicide in the jail yesterday by taking large quantities of opium. He swallowed five capsules containing the drug, and had 20 more hidden about him. The jail physician was called in him, and after drastic treatment, Sullivan was declared out of danger.

Hanna Elias May Keep Her Money.

Hanna Elias, whose sensational arrest, charged with extortion, on complaint of the aged millionaire, John R. Platt, and her discharge, which was followed by a civil suit by Platt to recover \$685,000, won the suit in New York yesterday. Justice O'Gorman handed down a decision in the afternoon in which he dismissed the suit, declaring that there was no evidence to support the allegations of the aged plaintiff. Platt alleged that the Elias woman, who is a negro, had obtained the money by coercion and other improper means. In his decision Justice O'Gorman said:

"There has been no evidence to substantiate the allegation that Platt was deprived of the money by threat of bodily harm or extortion. Nor is there any evidence to show that he was of unsound mind. On the contrary, there is evidence to show that he parted with the money willingly, freely and voluntarily. Even had there been no other testimony to this effect, Platt's own testimony would have established the fact. The suit is dismissed."

The Elias woman first came into prominence after the murder of Andrew H. Green, one of the best known citizens of New York. The negro who shot Mr. Green to death mistook him for Platt, whom he resembled only in appearance.

ROSENFELD'S.

ONE PRICE TO ALL.

A Comparison of Muslin Underclothes With Others.

Put side by side they tell the story; the extra care and watchfulness exercised by this store shows in every garment. Night Gowns are almost half a yard wider at the hips than others selling elsewhere at the same price. Chemises instead of being shapeless things looking like a petticoat with a top cut out in V shape are shaped to fit. Corset Covers are cut right to go over straight front corsets, and under tight-fitting bodies. When it comes to the laces and embroideries and materials from which the underclothes are made, you would in most cases choose ours with your eyes shut. You won't find a piece of muslin among them filled up with clay to make it heavy, nor anything pretending to be nainsook which is as coarse as a salt bag. Yet all of these improvements don't make our prices higher than in Washington.

Night Gowns, 39c to \$2.50. Drawers, 25c to \$1.50. Petticoats, 49c to \$2.50. Chemises, 25c to \$1.00.
